

Introduction To The Module 1.1

High Level Overview Of Jarvis?

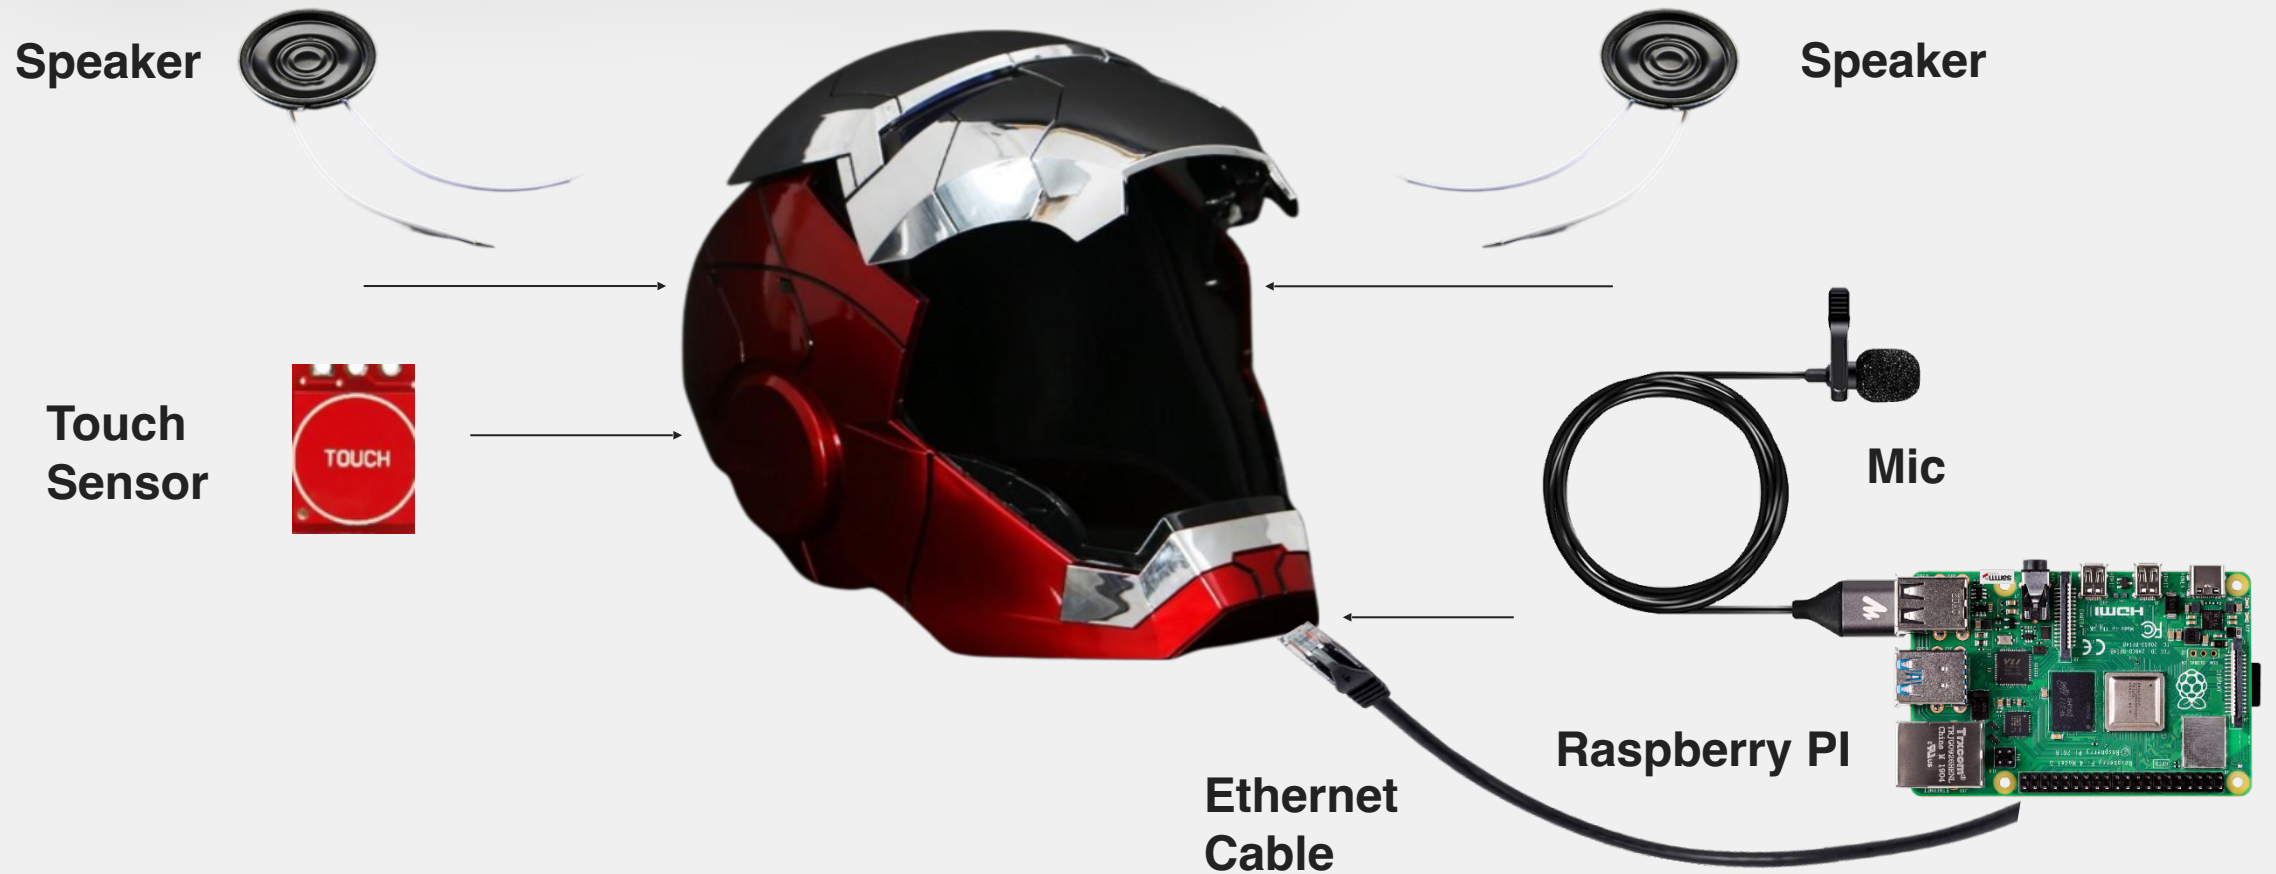

Agenda

- High level overview
- Key component overview
- Interactions overview

High Level Overview

Key Component Overview

Central Processor:

- **Raspberry Pi-4 [8Gb]**
- **Can also use Pi-5**

Usage:

- **Central Computing Unit**
- **Managing System Functions**
- **Interfacing With Peripherals**
- **Executing Commands**

Key Component Overview

Touch Sensor:

- **Capacitive Touch Sensor**
- **Push Button**

Usage:

- **Activate System Functionalities**
- **Tactile Interaction Options**
- **Voice Commands**

Key Component Overview

Mic:

- **USB Lavalier Microphone**
- **GPIO Alternatives**

Usage:

- **Hands-free communication**
- **Voice Commands interact**

THANK YOU!
